final incorporating Mike's comments.

Mindy, Mike and I spoke and he now understands that the permits issued by the state or tribe per an SPGP are state/tribal permits issued under state/tribal authorities/programs that the Corps has said satisfies the 404 permitting requirements for that activity. So, I tweaked the bullet and will talk about these. However, I believe most if not all the states in R7 have SPGPs. So this will be familiar to folks in the room/on the webinar.

I don't have any comments. Agree with Mike's.

Kathy,

I raised a few comments on the slide with partial assumption . . . maybe one other slide too.

Mindy, Mike and Eliodora,

Attached is a PPT I propose we will give to during Region 7's ESTP meeting with states and tribes tomorrow. This is a modification of the presentations given to the NCAI, the NTWC and the R9 RTOC.

There is no new information. I do need to include a R7 contact(s) as I'm not sure who to include here with Brad's retirement.

Eliodora, please let me know who to include.

Mindy and Mike, please let me know if you have heartburn with any slides. The 404(g) HQ team will be presenting via webinar this presentation.

Thanks, Kathy
